Re: John Knox Village Meadows Building Phase II  
520 NW Hope Lane  
Lee's Summit, MO 64081

Mr. Weisenborn:

Please accept this letter as confirmation that KTI has been employed to provide Special Inspection Services for the above referenced project. At this time we anticipate the following Special Inspections to be required.

Placement of Reinforced Concrete  
Testing of Reinforced Concrete  
Placement of Reinforcing Steel  
Bolts in Concrete  
Post Installed Anchors  
Post Tension Concrete Placement  
Structural Masonry  
Wood Frame Inspection - Holddowns  
Steel Frame Inspection  
High Strength Bolting  
Structural Welding  
Verification of Soils  
Soil Bearing Capacity  
Engineered Grading and/ or Fill  
Earth Retaining Structure

Should any additions or changes to these requirements occur during the project, we would notify your office as soon as those changes are identified.

Sincerely,  
Kruger Technologies Inc.

Otto J. Kruger, Jr., P.E.
