Re: Special Inspection Services – Initial Letter
PetSuites Pet Boarding and Daycare
250 NW McNary Court
Lee's Summit, Missouri

Dear Mr. Demchinski:

This letter will confirm that Geotechnology, Inc. has been selected to perform Special Inspections on the above referenced project for the items listed below. These services will be conducted in accordance with the provisions of Chapter 17 of the 2018 International Building Code. The activities that we have been contracted to observe include the following:

Structural Fill
Placement of Reinforced Concrete
Testing of Reinforced Concrete
Placement of Reinforcing Steel
Structural Masonry

Verification of Soils
Structural Steel Frame Inspection
High Strength Bolting
Welded Connections

We understand that the scope of services indicated above is subject to your interpretation of the code requirements and will be finalized at the preconstruction meeting. Any changes to our scope of services will be subject to the client's acceptance of an amendment to our contract. Please contact Geotechnology if you have any questions about this letter.

Respectfully submitted,

GEOTECHNOLOGY, INC.
