Corrective Action Required

3	Misc	Site visit: The crews were setup along Pryor Rd. North of O'Brien. The TTC was setup with advanced warning signs and cones with a taper lane. I spoke with the crews and they stated everything was going well with the bore machine. The pits that were open along the sidewalk were not undercutting the sidewalk and they are fencing off the pits they will need to leave open. I went over what we expect in regards to restoration.
