

319 SE Douglas St

Building Location for Repairs
(Vogue Condominiums)

Imagery ©2021 Google, Imagery ©2021 Max

We propose to utilize channelizers and flag line to outline the spaces to be blocked off and the equipment/material to be contained within the areas.

We are requesting a Temporary Traffic Control Permit to temporarily block off the highlighted parking stalls to provide material lay down and equipment parking for the duration of the repairs to be made at Vogue Condominiums (i.e. Approximately 4 weeks).
