Our signage plan on the premise is to have an interior facing 32 square foot (4x8) banner reciting the identity of the 501c3 group, another 32 square foot (4x8) exterior facing banner for fireworks promo, attached between two poles securely placed on the ground, and a third 12"x12" sign near the register depicting the 501c3 group again. We will have two exit signs: one at each entrance/exit, we will also have two signs that say "Fireworks No Smoking", displayed at each entrance/exit locations in letters not less than 4" in height on a contrasting background.

Sincerely,
