Lot 51 Woodside Ridge, 206 NW Joshua Cr. Lee's Summit, MO

Everstead has been requested to confirm the structural integrity of a retaining wall that has been constructed for the above-mentioned property. 9 block courses of Anchor Wall System's Diamond® 9D retaining wall system as installed or better is structurally sound as built.

Please feel free to contact Everstead with any further questions on this matter.

Sincerely,

Blake Shadid, PE
