Inspection:	Inspector:	Outcome:	Date:
<b>Site Visit Inspection</b>	Nick Scott	Passed	Friday, October 22, 2021

**Corrective Action Required**

1 Misc

Site Visit - Bob Burns, Steve Proudfit , Nick Scott and I met onsite with the crew that was working on locating the utilities in the alley. A concern came up with the backfill and the ability to protect the gas main with dirt and keeping the dirt in place. Ryan Riddel was contacted by the worker onsite and Steve Proudfit spoke with Ryan over coming up with a solution. To be determined at this time.

**Corrective Action Required**

2 Misc

Site visited it appears that gas is repaired and asphalt has been put back over it. New construction has started with the parking lot which they have taken out some of the asphalt that had been put in but I'm going to pass this.
