

The floor plan shows a 815 sq ft finished space. The layout includes a bedroom (11'-3" x 10'-9") with a TV, a bathroom with a 5' shower, toilet, and fan, a kitchen with four 24" base cabinets, an under counter refrigerator, and a linen closet. The open rec room (28'-10" x 17'-11") features a drop ceiling, a lift station, and a sump. The plan also shows a water heater, furnace, and various electrical and lighting fixtures. A legend identifies symbols for steel beams, existing walls, new walls, windows, steel posts, dropped ceiling, recessed can lights, receptacles, switches, dimmer switches, light fixtures, TV cables, and smoke detectors. The plan is marked with dimensions and labels for various components.
