| <b>Grading/Excavation/Fill Inspection</b> | Nick Lightner | Passed   | Tuesday, November 02, 2021 |

|                |                                                                                                                                                                                                                     |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Informational: |                                                                                                                                                                                                                     |
| 1 Misc         | 8/23/21 12:00 - Spoke with Ed he is removing the pad on the South side of the building out, and planned to do the drain install tomorrow.                                                                           |
| Informational: |                                                                                                                                                                                                                     |
| 2 Misc         | 8/25/21 9:30 - Spoke with Ed about the pipes and getting the site prepped for the proof roll.                                                                                                                       |
| Informational: |                                                                                                                                                                                                                     |
| 3 Misc         | 8/26/21 11:00 - Spoke with Ed about the proof roll, informed him to give me a call a few days prior to putting in the concrete pad. Recommended he wait the few days before he poured just in case we got any rain. |
