Re: TOKYO GRILLE permit PROCOM20216110.

Dear Joe,

The roof and structure below will support the weight of the exhaust fans and makeup air fans for the hoods. The weights are very minor compared to RTU's. Therefore, the equipment can be placed on the roof as shown on the plans.

If you have any questions, please feel free to call my office. Thank you for your attention to this matter.

Very Truly Yours,

Mark A Towner, P.E.
