PLEASE NOTE: PDF proofs are for content verification only. Images have been aggressively downsampled to allow for transmission via email. This may cause images to appear jagged, or blurry in the PDF proof. PDF proofs are not to be considered as color-accurate, even on color-managed screens. For jobs submitted in color spaces other than process (CMYK) or properly tagged Pantone Colors, color shifts may occur when converting images to the final output colorspace. Color matches are available upon request and will incur a fee. Additional Proofs after initial proof will incur an additional charge. New files supplied or changes to supplied files will incur additional charges for each submission or request. Typical art charges are set at \$75/hour.
