Revisions Required

One or more departments have not approved the permit and the following is a list of requirements from the City of Lee's Summit that have not been satisfactorily addressed in the plans and specifications. Please address the comments as requested and provide three (3) copies of any revised sheets and/or additional information. Please contact the appropriate department regarding clarification of comments.

Development Services Department (816) 969-1200

Fire Department (816) 969-1300

Sign Permit Review

Reviewed By: Hector Soto Jr.

Rejected

1. PILLAR SIGN HEIGHT. The UDO allows for a maximum sign structure height of 20' for a pillar sign. The proposed sign is shown with an overall height of 21'-8", which exceeds the allowable sign height. The proposed sign height shall be reduced to comply with the allowable 20' maximum sign height.
