Ms. Sessler,

Please find the following responses to plan review comments received for the above listed project.

**Plot Plan Review**

1. *100- year floodplain, where applicable must be shown on the plot plan. (Foundation elevation certificate required prior to occupancy)*

**This has been changed to show the 100-year flood plain.**

2. *A as- graded plot plan per Section 7-160, code of ordinances is required prior to occupancy.*

**This has been changed on the plot plan to show the code of ordinances.**

**Residential Plan Review**

1. *Address is Hook Farm lane not hook farm drive.*

**This has been changed to Hook Farm Lane on the prints.**

I hope that these responses will satisfy the questions and concerns. If more information is required, please do not hesitate to contact me
