

PUBLIC WORKS ENGINEERING DIVISION

Inspection Summary

Permit #:PRPWRW20220358, Public Works Right of Way Permit
Address: 2050 NW LOWENSTEIN DR, LEES SUMMIT, MO 64081

This work has been inspected and the inspection results noted below. Please call for re-inspection once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Nick Scott	Partial	Tuesday, March 15, 2022

Corrective Action Required

1	Misc	I spoke with the foreman onsite. They are performing the first of two street cuts. They will be placing street plate signs at each location. I will notify our Snow Desk about the plates.
---	------	--

Corrective Action Required

2	Misc	No crews working due to extreme colds weather. Street plates have asphalt around them and signs in place. I will notify the Snow Desk in regards to the plates.
---	------	---

Corrective Action Required

3	Misc	Site visited and it appears work is done the street plates are gone and the street cuts have been filled with asphalt. Capital has put seed and straw down in areas that need restoration. I will come back in a month and check on this again.
