RE: Response to Plan Review Comments
Hook Farms Pool & Pool house, PRCOM20215487

☐ Urgent ☒ For Review ☐ Please Call Upon Receipt ☐ As Requested ☐ Please Route ☐ FYI

The following documents are being provided by Collins and Webb Architecture for review to obtain a Commercial Construction Building Permit for the above referenced project. Documents are provided where applicable in response to your department plan review comments.

- Revised complete set of combined drawings, clouded where revisions were required or coordinate with design information.
- Revised S101 foundation plan. Revised to allow for recessed drinking fountain.
- Revised A7/A101. Revises recessed light fixtures at truss and alcove location.
- Revised sheet M101. Includes New Water Service Reduced Pressure Backflow Preventor Detail issued to contractor for clarification in December 2021.

Best Regards,
