Joe Frogge & City of Lee's Summit,

April 1, 2022

We are writing to confirm that we will be providing a cooler stocked with bottled water at our new location at 1237 NE Douglas Street.

We can also confirm that the proposed utility sink, in place of a mop sink with splash guards, will strictly be used for cleaning. We do not sell any food that is not pre-packaged. Any food sold at our store is shipped in its original packaging and is immediately stocked into the cooler. No food is being prepared or handled at any time, therefore the sink in the back of the space is only being installed for cleaning purposes.

Thank you,
