**Sign Permit Review**

**Reviewed By: Hector Soto Jr.**

**Rejected**

1. Revised specifications were submitted for the west building facade, which revisions now comply with the City's sign standards and are approvable. However, no revised specifications were submitted for the east building facade. The second set of uploaded specifications were for various signs to be used in the building's interior.

***The review conducted by the City of Lee's Summit Development Services Department shall not be construed as a structural review of the project.***
