**CONDITIONS**

**One or more divisions have conditions that have not been addressed during the review period. The outstanding conditions provided below shall be met as indicated during the construction period.**

Fire Plan Review
------------------

Building Plan Review
----------------------

1 This review represents all 3 buildings currently submitted under phase 1.

Action required: comment is for informational purposes.

3 Copies of the engineered truss package were not provided at the time of permit application.

Action required: Provide floor and roof truss packages or request deferral.

10/1/21 - deferred per request

5 2018 IRC 302..2.4 Parapets - exception to item #2

Action required: Comment is for informational purposes. Roof assembly design complies and drawings dictate no penetrations within 4' of separations but plumbing plans show VTRs within that 4'. Understood that drawings are schematic. To be field verified.
