Detailed description of work:

Homeowner will install an 8' x 40' vinyl lap pool and other landscaping projects. Homeowner will re-route existing lawn irrigation in backyard to focus on privacy trees along perimeter, raised planters along NE of property, and the various flower beds. An equipment pad including 120/220V power receptacles and disconnects for the pool will be appx 2' x 6' and located more than 6' from pool along the back of the house. Existing drainage patterns will be maintained through the use of french drains and catch basins. Additional 4' fencing will be added to enclose backyard and pool area.

AFFIDAVIT: I hereby certify that I have the authority to make the foregoing application and that the application, the best of my knowledge, is complete and correct and that the permitted construction will conform to the regulations in the Codes adopted by the City of Lee's Summit and all applicable ordinances.
