Establishments which sell and/or serve food: Establishments which either sell or serve food are required to submit a separate permit application to the Jackson County Department of Public Works as they currently serve as the health officer for the City of Lee's Summit. The health officer must approve the projects plans prior to issuance of a building permit by the City of Lee's Summit. Contact the Department of Public Works at 816-881-4530 for additional information. Project documents and plans shall be submitted directly to the Jackson County Department of Public Works.				
Clean Indoor Air Ordinance: The City of Lees Summit has an ordinance which prohibits smoking in virtually all enclosed areas of public places and places of employment. Per the ordinance, a "No Smoking" sign or the international "No Smoking" symbol (consisting of a burning cigarette enclosed in a red circle with a red bar across it) shall be clearly and conspicuously posted at every entrance where smoking is prohibited. The person who owns, manages, operates or otherwise controls a public place or place of employment is responsible for compliance with the Clean Indoor Air Act. Questions regarding the Clean Indoor Air Act may be directed to Codes Administration at (816) 969-1200.				
Crime Prevention Through Environmental Design (CPTED):				
The following uses have been classified as "Uses with Conditions" per Article 9 of this Chapter, having been determined with a tendency toward an increased risk of crime,. Specific conditions for such uses are
