Re: RWR127 Swinney - Ceiling Field Change

Per conversation with Jeffrey Pfeifer, on June 13, 2022, Vista Structural Engineering, LLC was asked to omit the triple 2x10 and rotate the ceiling joist span in the Master W-I.

This change is acceptable. Please see the following partial plan mark up of the main fl ceiling for reference.

Our firm appreciates the opportunity to serve you. If you have any questions or if you need anything further, please feel free to contact us.

Sincerely,  
 Vista Structural Engineering, LLC
