This work has been inspected and the inspection results noted below. Please call for re-inspection once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Matt Munger	Partial	Thursday, July 07, 2022

Corrective Action Required

1	Misc	Site Visit - Steve Hult was onsite (ECC). I spoke with him about the project and he stated they should be done by today with boring. I did see that they are using a compactor and are using gravel below the vaults they are putting in.
