Inspection:	Inspector:	Outcome:	Date:
Miscellaneous Inspection	Steve Robbins	Failed	Wednesday, July 13, 2022

Informational:

1	FD2703.6 Signs.	I received a call from Public Works that there was a stop sign down at this property. The sign was damaged and not put back in properly. It also was noticed that the valve box on the property was also damaged. Public Works said that it appears to have been damaged by someone grading or installing sprinklers. I would suggest no Final Occupancy until this has been resolved.
