Please accept this information for ground rough inspection. The ground rough inspection was scheduled by me, Dale Richardson but was denied inspection due to insufficient silt fence and lack of footing inspection.

Normally, we would confirm results of inspection before covering it up. On this occasion, it did not happen. I can assure you it was installed per plan and per code, as all our jobs are. It will now be confirmed before flatwork, so it doesn't happen again.

Any questions,

Thank you,
Dale Richardson
