

# Safety and liability

---

- \*When delivery on private property is specified, damage of any kind to sidewalks, curbs, driveways, buildings, trees, shrubs, lawn, etc. is at customer’s risk.
- \*Note: This concrete is accurately weighed by computer while the batch weights for each load are recorded. The water/ cement ratio is designed for optimum strength and durability. We cannot assume responsibility for the concrete if excessive water is added to the mix.
- \*Customers holding trucks beyond 5 minutes per cubic yard will be charged for “truck time”.
- \*For Deliveries Made in Missouri: Notice to Owner  
Failure of this contractor to pay those persons supplying material or services to complete this contract can result in the filing of a Mechanic’s Lien on the property which is the subject of this contract pursuant to Chapter 429 RSMo. To avoid this result you may ask this contractor for “Lien Waivers” from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and material twice.
- \*For Deliveries Made in Kansas: Notice to Owner  
Failure of this contractor to pay those persons supplying material or services to complete this contract can result in the filing of a Mechanic’s Lien on the property which is the subject of this contract pursuant to K.S.A. 60-1103. To avoid this result you may ask this contractor for “Lien Waivers” from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and material twice.
- \*DANGER MAY CAUSE BURNS TO EYES AND SKIN. READ THIS WARNING BEFORE USING:  
Contains Portland Cement. Contact with wet (unhardened) concrete, mortar, cement or cement mixtures can cause skin irritation, severe chemical burns, or serious eye damage. Avoid contact with eyes and skin. Wear waterproof gloves, a fully buttoned long-sleeved shirt, full-length trousers, and tight-fitting eye protection when working with these materials. If you have to stand in wet concrete, use waterproof boots that are tight at the tops and high enough to keep concrete from flowing into them. If you are finishing concrete, wear kneepads to protect knees. Wash wet concrete, mortar, cement, or cement mixtures from your skin with fresh, clean water immediately after contact. Indirect contact through clothing can be as serious as direct contact, so promptly rinse out wet concrete, mortar, cement or cement mixtures from clothing. Seek immediate medical attention if you have persistent or severe discomfort. In case of eye contact, flush with plenty of water for at least 15 minutes. Consult a physician immediately. KEEP OUT OF REACH OF CHILDREN.
- \*USER AGREES TO CONVEY THIS WARNING TO ALL PERSONS WHO MAY PURCHASE, USE OR COME IN CONTACT WITH WET (UNHARDENED) CONCRETE, MORTAR, CEMENT, OR CEMENT MIXTURES\*

- \*Customers holding trucks beyond 5 minutes per cubic yard will be charged for “truck time”.
- \*For Deliveries Made in Missouri: Notice to Owner  
Failure of this contractor to pay those persons supplying material or services to complete this contract can result in the filing of a Mechanic’s Lien on the property which is the subject of this contract pursuant to Chapter 429 RSMo. To avoid this result you may ask this contractor for “Lien Waivers” from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and material twice.
- \*For Deliveries Made in Kansas: Notice to Owner  
Failure of this contractor to pay those persons supplying material or services to complete this contract can result in the filing of a Mechanic’s Lien on the property which is the subject of this contract pursuant to K.S.A. 60-1103. To avoid this result you may ask this contractor for “Lien Waivers” from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and material twice.
- \*DANGER MAY CAUSE BURNS TO EYES AND SKIN. READ THIS WARNING BEFORE USING:  
Contains Portland Cement. Contact with wet (unhardened) concrete, mortar, cement or cement mixtures can cause skin irritation, severe chemical burns, or serious eye damage. Avoid contact with eyes and skin. Wear waterproof gloves, a fully buttoned long-sleeved shirt, full-length trousers, and tight-fitting eye protection when working with these materials. If you have to stand in wet concrete, use waterproof boots that are tight at the tops and high enough to keep concrete from flowing into them. If you are finishing concrete, wear kneepads to protect knees. Wash wet concrete, mortar, cement, or cement mixtures from your skin with fresh, clean water immediately after contact. Indirect contact through clothing can be as serious as direct contact, so promptly rinse out wet concrete, mortar, cement or cement mixtures from clothing. Seek immediate medical attention if you have persistent or severe discomfort. In case of eye contact, flush with plenty of water for at least 15 minutes. Consult a physician immediately. KEEP OUT OF REACH OF CHILDREN.
- \*USER AGREES TO CONVEY THIS WARNING TO ALL PERSONS WHO MAY PURCHASE, USE OR COME IN CONTACT WITH WET (UNHARDENED) CONCRETE, MORTAR, CEMENT, OR CEMENT MIXTURES\*

## Delivery notes

NAPA VALLEY: 291 & 150 Hwy W to Pryor Rd - S to Napa Valley - E to Stony Brook - S just past Blackstone to string line on L

DOCUMENT CREATED

30 Jun 2022 13:40 CDT

# Safety and liability

---

- \*When delivery on private property is specified, damage of any kind to sidewalks, curbs, driveways, buildings, trees, shrubs, lawn, etc. is at customer’s risk.
- \*Note: This concrete is accurately weighed by computer while the batch weights for each load are recorded. The water/ cement ratio is designed for optimum strength and durability. We cannot assume responsibility for the concrete if excessive water is added to the mix.
- \*Customers holding trucks beyond 5 minutes per cubic yard will be charged for “truck time”.
- \*For Deliveries Made in Missouri: Notice to Owner  
Failure of this contractor to pay those persons supplying material or services to complete this contract can result in the filing of a Mechanic’s Lien on the property which is the subject of this contract pursuant to Chapter 429 RSMo. To avoid this result you may ask this contractor for “Lien Waivers” from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and material twice.
- \*For Deliveries Made in Kansas: Notice to Owner  
Failure of this contractor to pay those persons supplying material or services to complete this contract can result in the filing of a Mechanic’s Lien on the property which is the subject of this contract pursuant to K.S.A. 60-1103. To avoid this result you may ask this contractor for “Lien Waivers” from all persons supplying material or services for the work described in this contract. Failure to secure lien waivers may result in your paying for labor and material twice.
- \*DANGER MAY CAUSE BURNS TO EYES AND SKIN. READ THIS WARNING BEFORE USING:  
Contains Portland Cement. Contact with wet (unhardened) concrete, mortar, cement or cement mixtures can cause skin irritation, severe chemical burns, or serious eye damage. Avoid contact with eyes and skin. Wear waterproof gloves, a fully buttoned long-sleeved shirt, full-length trousers, and tight-fitting eye protection when working with these materials. If you have to stand in wet concrete, use waterproof boots that are tight at the tops and high enough to keep concrete from flowing into them. If you are finishing concrete, wear kneepads to protect knees. Wash wet concrete, mortar, cement, or cement mixtures from your skin with fresh, clean water immediately after contact. Indirect contact through clothing can be as serious as direct contact, so promptly rinse out wet concrete, mortar, cement or cement mixtures from clothing. Seek immediate medical attention if you have persistent or severe discomfort. In case of eye contact, flush with plenty of water for at least 15 minutes. Consult a physician immediately. KEEP OUT OF REACH OF CHILDREN.
- \*USER AGREES TO CONVEY THIS WARNING TO ALL PERSONS WHO MAY PURCHASE, USE OR COME IN CONTACT WITH WET (UNHARDENED) CONCRETE, MORTAR, CEMENT, OR CEMENT MIXTURES\*
