A comprehensive inspection was completed for this project. It has been determined by Development Services that a Certificate of Substantial Completion can be released. The following items were incomplete as of the date of this letter. The developer, contractors and engineers have thirty (30) days to complete these deficiencies in accordance with the City of Lee's Summit's, Design and Construction Manual, Ordinance 5813. Failure to complete all items will result in a freeze of building permits until all items are corrected and a Certificate of Final Acceptance is issued.

## **PUNCH LIST CORRECTIONS:**

Final Affidavit and Agreement
Record Drawings for Public Sanitary Sewer
Provide 3 year maintenance bond for 50% of the Engineers estimated cost of construction for public Sanitary-\$20,140.00 /2= <u>\$10,070</u>

We do not claim this list identifies all possible incomplete, damaged, or unfinished work - items may have been unintentionally omitted. Omission from the punch list does not relieve the Developer, Contractors, or Engineer from responsibility to complete work in accordance with approved Engineering Plans, Development Plans and Lee's Summit's Design and Construction Manual.
