## MEMORANDUM

To: George Binger, PE  
From: Kara Taylor, CFM  
CC: Kent Monter, PE; Gene Williams, PE  
Date: August 4, 2022  
RE: Condition of Approval  
Floodplain Development Permit Application #PRPWFP20223040  
Whispering Woods LLC

---

Comments: As discussed during our meeting today, approval of the above-referenced Floodplain Development Permit Application requires the following conditions:

- No debris from the project, including any materials required for the requested temporary crossing (rock, soil, pipe, etc.), shall be allowed to leave the project site. Intermediate cleanup may be required during project duration to ensure this condition.
- Upon project completion, all materials installed during the project, including any materials required for the requested temporary crossing (rock, soil, pipe, etc.), shall be removed.
