Inspection:	Inspector:	Outcome:	Date:
<b>Driveway Inspection</b>	Ryan Heckman	Passed	Tuesday, October 11, 2022

**Corrective Action Required:**

1	Misc	10-3-22 RH. I called Anthoney with ESS due to the curb holding water in front of the house. He has been informed it needs replaced due to the owner worried about ice in front of the house due to this.
		10-10-22 RH. ESS came out and used a saw to grind on the curb and made a flow line for the curb so it would don't hold water. The area in front of the house is completely level in the area. Water started following that flow line where ESS worked on.
