Sign Permit Review

Reviewed By: Hector Soto Jr.

Approved

1. NO PERMIT REQUIRED. Construction signs are exempt from sign permits, but must adhere to maximum size requirements (40 sq. ft. max) and must be located on private property. The construction sign can be located on the subject property for the time period marked by the issuance of a building permit through completion of the construction project.

The review conducted by the City of Lee's Summit Development Services Department shall not be construed as a structural review of the project.
