This work has been inspected and the inspection results noted below. Please call for re-inspection once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Matt Munger	Partial	Tuesday, October 18, 2022

Corrective Action Required

1	Misc	Site Visit - There are no workers onsite, they have installed a majority of the boxes in the Osage Subdivision. The pits they have open are fenced off at this time. I did contact Tony Jr. for an update and he stated they would be finishing this job up fairly quickly. No issues at this time.
