This work has been inspected and the inspection results noted below. Please call for re-inspection once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Matt Munger	Partial	Thursday, October 27, 2022

Corrective Action Required

1	Misc	Site Visit - There are no workers onsite. I hadn't seen any work take place for a few days, I reached out to Skyler with GF to get an update since there are a few boxes that still need to be installed. He stated they were waiting on Integrity for locates but should be back and potentially finished by next week.
