RE: Permit #20213848. 3212 SW Mary St

To Whom It May Concern:

In response to the NOTICE OF POTENTIAL PERMIT EXPIRATION posted on the portal for the above referenced property, Bellah Homes, LLC requests an extension of this permit. The delay in progress of construction on this house is due to material and labor shortages. We anticipate an increased rate of progress with a tentative completion in February 2023.

Thank you for your time and consideration.
