Sounds good, we'll get them going and I'll remove the flags from this order.

Thanks,

Thank you, Nate. We tried, but the flags will get in too late, so we have decided not to order them at this time. Hopefully, we can order them after the first of the year for Valentine's Day promotions. Everything else is a go!

Jessica,

Here is the updated pricing with your selected items.

The flags are a seven day turnaround, so the earliest I could have them is the end of next week.  
All other items I can have ready for pick-up on Friday.

Please feel free to contact us if you have any additional questions.

Thanks,
