This looks great to me! Please let me know when you receive the permit. Would you like me to provide you with the printing contact we use?

Wonderful, keep me posted on the permit. We have two H Frame posters available. There is not a set date the email blast goes out. We look at all the offers submitted from tenants and try to find to find the best date.

Did you have something you were wanting to have included?

Thank you. I have applied for the permit through the city for the banners space. I am wondering how many H frame signs are available on property and if they need to be front and back or just one side. I am thinking we will do two of the H frame signs.

When does your next email go out to subscribers?

Thank you,
Jessica

I have proofs in the works right now. I will send when I get them. Thanks for all the assistance. I will let you know if we end up needing website Facebook or Instagram marketing. Just so I'm clear, the banner holders are available? All three of them?

Thank you again!

Wonderful! For the 22x28's you will need to send me over the signage to approve first and then you can send over to print. You are responsible for the cost of printing. Let me know if you would like the local contact we use. Once, the signage arrives on property the management team will install it for you.

For the banner, please apply for a permit with the city with hector.soto@cityofls.net. Please keep me looped in all emails so I can help with any questions. Once you have the creative done send it over for me to approve. You are also responsible for the printing cost and our management team will install.

While your signage is in the works is there anything we can help promote digitally on the Summit

Fair website or on Facebook or Instagram?

Let me know if you have any questions.

Hello!

I have attached the complimentary marketing opportunities for Summit Fair.

Let me know if you are interested in the 22x28 sign holders or the banners, from there I will send you next steps. Thank you!

Hi Jessica,

You are more than welcome to place portable signage (to be taken in and out daily) directly outside your door, but yard signs around the perimeter/entrances are prohibited.

I have included Peyton, our Field Marketing Manager on this email to fill you in on the availability of the H-Frame poster holders and the banner holders along with the permit procedures for the latter.

Thanks for reaching out!

Hi Kathy,

Please direct me to the right person if it isn't you. I'm hoping to put some promotional signage up around the center leading up to Christmas. Before I order anything, I need to know what structures are available, if any, so that I may get the right specs.

If the banner holders have availability in the month of December, what do I need to do to reserve them? What other opportunities for seasonal signage/advertising is there on premises or via communication and how do I go about reserving those? I noticed the directory signs as well as some "pop-up" signs that might be another place we could use.

Are we able to place portable signage outside our doors? Are we able to utilize yard signs around the perimeter/entrances of the Summit Fair property?

Thanks for your guidance,
Jessica

Hello Jessica,

Connie is no longer with RED, but I can assist you. Please be advised that with the renewed interest in the banner holders, we may have to go back to requiring a city permit as we did pre-Covid time. The city permit requires our approval and cost \$50 for a 14 day run.

Please let me know what days you are thinking and we can go from there.

Thanks,

Kathy Nietzke | CRX, CSM | General Manager

Hello Kathy/Connie,

Who do we need to contact about reserving banner stands for the holidays? We will be running a gift card promo again this year. Like the previous owner did in the past, we will have banners made to display where they were last year.

Thank you!
Jessica
