**COMMENTS:**

Joe,  
Please find attached compiled set for your review.

The following pages have been updated to reflect the non-separated, fully sprinklered building.

G003 -	Updated code information
A101 -	Updated wall types
C300 -	Showing water service for sprinkler improvements
P111 -	Showing 6" fire service
E111 -	Showing connections to fire service

Best Regards,

Collins | Webb Architecture
