***Revisions Required***

***One or more departments have not approved the permit and the following is a list of requirements from the City of Lee's Summit that have not been satisfactorily addressed in the plans and specifications. Please address the comments as requested and upload the revised documents and /or additional information to the application through the online portal. Please contact the appropriate department regarding clarification of comments.***

Development Services Department (816) 969-1200

Fire Department (816) 969-1300

**Sign Permit Review**

**Reviewed By: Shannon McGuire**

**Rejected**

1. Only 3 attached wall sing are administratively approvable. submit a Sign Applicant to the Planning Commission. This process will take 30-45 days to get on an agenda and work through the approval process. This process is handled under a separate applicant and there is a \$200 fee.

Staff's recommendation is to remove one sign from the proposed sign package and resubmit. 3 signs can be approved by staff, then if the applicant wishes to seek approval for the 4th sign they can do so.

2. The menu board and internal wayfinding sign do not require a permit.
