My other inspections are in the traffic control permit. Spire did not need a permit until they got to Edgewood because they were out of the right of way. The number of that permit is PRPWTC20225807

Corrective Action Required

2 Misc

Site visited today and I talked to the Forman on the south side of the road that the driveway they are working on will need the mud to be cleaned off and new gravel will need to be put down on the driveway.
