Please accept this information for ground rough inspection. The ground rough inspection was scheduled by me, Dale Richardson but was denied inspection due to improper erosion control and address not posted.

Normally, we would confirm results of inspection before covering it up. On this occasion, it did not happen. I can assure you it was installed per plan and per code, as all our jobs are. It will now be confirmed before flatwork, so it doesn't happen again. Dye test was performed on 1/20/2023 and was proved sufficient.

Any questions,

Thank you,
Dale Richardson
