**Re: Sequoia Townhomes – 500 Olive Street**

Mike Weisenborn or to whom it may concern,

Please find attached a revised grading plan for the above referenced project for your review.

The grading has been revised to incorporate retaining walls at the west and north sides of the property and to reflect as-built drainage pipes for the detention ponds.

If there are any questions, please let me know.

Yours truly,

Albert Hermans, P.E.
