Re: 2121 NW Obrien Rd– Plan Clarification
Lee's Summit, MO
Bldg. Permit No.: PRRES20222876

Dear Mr. Tworkowsky,

This letter is in regard to a plan clarification for the above mentioned residence. On the rear wall of the garage and the wall between the master closet and master bathroom, the plan notes a series of circles. The circles denote that the wall is a braced wall utilizing gypsum board sheathing which is to be fastened in accordance with the fastening schedule located on sheet S100.

We trust this information will meet your needs. If you need any additional information, please contact this office.

Sincerely,
