To whom it may concern:

This permit is being applied for with understanding of the following: The original recorded plat defines this lot as a standard basement. However, Clayton Properties Group dba Clover and Hive has elected to build a split level style floorplan, which will allow for some daylight wall in the basement but will not impact the MDP.

Regards,

Savanna Scarbo

A handwritten signature in black ink that reads "Savanna Scarbo". The signature is written in a cursive, flowing style.
