4. Description of the site on which the proposed event is to be held.

Race for the Future 5K Run/Walk is proposed to begin at Lee's Summit West High School near the Activity Complex behind the high school. Participants will run up the drive toward Ward Road, turn left (north) on Ward (remaining next to the curb in south-bound lane to minimize traffic disruption) to a turnaround point South of Scherer Road, turn left and circle back on adjacent walking trail/sidewalk, then turn right into Lee's Summit West parking lot. Participants will continue along the tennis fields and back near the baseball fields and return to the football field. The race begins and ends on the track.

5. Date(s) of proposed event: Saturday, October 14, 2023

6. A narrative written description of the proposed event.

The Race for the Future 5K Run/Walk and Kids Dash is in its 27th year. This community-wide event is hosted by the Lee's Summit School District's Educational Foundation and is sponsored by many area businesses. The purpose of the event is to raise funds for classroom grants for teachers along with other funding provided to the school district for technology needs and special projects. A portion of the proceeds will go back to three different schools in the form of a grant from LSEF (based upon the number of participants that represent their school). This event is also intended to promote community spirit. The Race is always scheduled on the second Saturday of October and attracts 750-1,000 participants annually (including volunteers). The Race begins at 8 a.m. and participants are typically finished by approximately 8:45 or 9 a.m. at which time the Kids Dash begins on the track. The entire event is finished and cleaned up prior to noon. The only signs used are those promoting the race approx. 2-3 weeks leading up to the event. These yard signs and/or banners are posted at every school site and at approved business sites throughout the community. The only public street used will be Ward Road (from the high school to Scherer) for approx. 30-45 minutes in one lane.

7. A site plan: Attached

8. Location and number of proposed temporary public toilets

None. We will utilize the public toilets located within the LSW Activity Complex/Stadium. There are approximately 25 available per gender-specific restroom; 50 toilets in total.

9. Proposed temporary potable water supplies: Not applicable

10. Proof of liability insurance: Attached

11. Any electrical needs will be supplied at the LSW Activity Complex/Stadium.
