Attn: John Jackson

Project: 7 Brew Less Summit

John,

The City of Lees Summit will not be held responsible for any concrete curbs inside the property lines of the 7 Brew coffee shop. If any work needs to be done to these curbs due to freezing temps when poured or damage caused by vehicles the owner will not contact the city and will repair at his own expense.

Thanks

Doug Bird Member

A handwritten signature in blue ink, appearing to read "Doug Bird", is written over the printed name "Doug Bird Member".
