- Other: Tilt-up Concrete Design, please include a copy of prior approval of any other deferred submittal items.

Establishments which sell and/or serve food or Commercial Swimming Pools:

Establishments which either sell or serve food are required to submit a separate permit application to the Jackson County Department of Public Works as they currently serve as the health officer for the City of Lee’s Summit. The health officer must approve the projects plans prior to issuance of a building permit by the City of Lee’s Summit. Contact the Jackson County Department of Public Works at 816-881-4530 for additional information. Project documents and plans shall be submitted directly to the Jackson County Department of Public Works.

Clean Indoor Air Ordinance:

The City of Lee’s Summit has an ordinance which prohibits smoking in virtually all enclosed areas of public places and places of employment. Per the ordinance, a “No Smoking” sign or the international “No Smoking” symbol (consisting of a burning cigarette enclosed in a red circle with a red bar across it) shall be clearly and conspicuously posted at every entrance where smoking is prohibited. The person who owns, manages, operates or otherwise controls a public place or place of employment is responsible for compliance with the Clean Indoor Air Act. Questions regarding the Clean Indoor Air Act may be directed to Development Services at (816) 969-1200.

Crime Prevention Through Environmental Design (CPTED):

The following uses have been classified as “Uses with Conditions” per Article 6 of the Unified Development Ordinance, having been determined with a tendency toward an increased risk of crime. Specific conditions for such uses are found in Article 6 and shall be required to be met prior to receiving any zoning approval, business license or approval to occupy any commercial space.

The following portion of this form is for the Excise Tax for Streets License Tax. If your project is not a new building, tenant finish, or any other sort of project that will increase or decrease vehicle trips proceed to signature block on last page.

The Excise Tax for Streets is a tax paid in the form of a surcharge (License Tax) to the annual business license tax on building contractors to be paid by development that requires a building permit and results in additional vehicle trips.

CREDIT REQUEST -- The applicant may request a tax credit as listed below for eligible projects, and attach documents as required. APPLICANTS MUST REQUEST TAX CREDITS AS A PART OF THE APPLICATION. IF A BOX IS NOT CHECKED REQUESTING A CREDIT AS A PART OF THIS APPLICATION, THE PROJECT WILL NOT BE REVIEWED FOR ELIGIBILITY BY THE CITY AND THE RIGHT TO A CREDIT WILL BE FORFEITED. The City will review all credit requests and determine the eligibility of a project for a credit in accordance with City ordinance. A CREDIT REQUEST DOES NOT CONSTITUTE A TAX CREDIT APPROVAL, WHICH WILL BE REFLECTED ON THE TAX BILL.

A. Full Credits -- CHECK APPROPRIATE BOX

- 1. **Public Body** -- A full credit will be granted for development constructed by, or by a building contractor on behalf of, a public body for its governmental use.
PUBLIC BODY _____
- 2. **School Districts** -- A full credit will be granted for development constructed by, or by a building contractor on behalf of, a school district of the state.
SCHOOL DISTRICT _____
- 3. **Damaged Facilities** -- A full credit will be granted for development rebuilding an involuntarily damaged or destroyed building, provided that such rebuilding does not result in additional vehicle trips.
- 4. **Development Agreements** -- A full credit will be granted for development constructed by, or by a building contractor on behalf of, an entity which has entered into a development agreement with the City that provides a specific provision that the entity shall not be required to make a financial contribution beyond the terms of the agreement and the commitment of the agreement involved street improvements to enhance the City's overall street network.
DEVELOPMENT AGREEMENT _____
- 5. **Tax Exempt Entity** -- A full credit will be granted for development constructed by, or by a building contractor on behalf of, an entity that is not subject to any federal, state, or local taxes including sales, income, personal property, real property, use, license, and earnings taxes.

- 6. **Underutilized Facilities** -- A full credit will be granted for a building contractor requesting a building permit required for utilization of a currently underutilized facility within an *existing approved* building.
- 7. **Change of Use** -- A full credit will be granted to a building contractor that requests a building permit that is required for a change of use within an *existing* building that does not change the general land use category of the building (residential versus non residential) or the change is from non residential to residential *and* does not add additional square footage to the building.

B. Partial Credits -- *CHECK APPROPRIATE BOX*

- 1. **Change of Use** -- (RESIDENTIAL TO NON RESIDENTIAL)-- A partial credit will be granted to a building contractor that requests a building permit that is required for a change of use from residential to non residential. The credit shall only be granted for the number of trips that were generated by the previous residential building during the p.m. peak time period and the new trips generated by the non residential use shall be subject to the tax.
- 2. **Redevelopment of Property** -- A partial credit will be granted to a building contractor that requests a building permit that results in the redevelopment of property. Redevelopment shall apply to development activity that results in the demolition of one or more buildings and the subsequent construction of one or more new buildings on the property, provided that the complete building permit application for a building permit to construct the new building(s) to replace the existing building(s) is filed within six (6) months following demolition of the existing building(s). The credit shall only be granted for the number of trips that were generated by the previous building(s) during the p.m. peak time period and the new additional trips generated by the new building(s) shall be subject to the tax.
