WARNING: We warn that trusses can cause property damage or personal injury if improperly installed or braced. Customer's, or his agent's acceptance hereof shall constitute his affirmative representation that he is fully trained in the proper and safe methods of truss installation and bracing. Refer to the provided pamphlet entitled " Bracing Wood Truss: Commentary and Recommendations", published by Truss Plate Institute, Inc. Do not cut, alter, or use damaged trusses without engineering approval. It is the customer's responsibility to provide access to the jobsite. Trusses remain our property until full payment is made.
