1. Mobile food preparation vehicles are a vehicle that contains cooking equipment that produces smoke or grease-laden vapors for the purpose of preparing and serving food to the public.
2. Per the International Fire Code 2021 edition, National Fire Protection Association, and the Heart of America Fire Marshals Association. This truck/trailer has passed inspection by the South Metropolitan Fire Protection District on the day it was inspected.
3. This permit is valid only in the South Metropolitan Fire Protection District, and it is up to the food vender to contact any other agency to figure out what their requirements are.
4. \$25 FEE
