I've attached the revised map, showing we will only be using Main street in front of our office. We will have tents in our parking lot behind the building but does NOT block anything on Market St. I don't see a space on the application to inform you of our request to only use Main st in front of our building. Can you send me the form you need completed.

I have received it. Please provide a revised layout plan and narrative to clarify where the event will be held. The initial submittal included a layout that used both SW Main St and SW Market St, to which the City was only agreeable to limit the event to the closure of just SW Main St. I assume your intent is to only use SW Main St (and the parking lot at 207 SW Market St). However, nothing on the revised application documents make your intent clear. We will get the resubmittal reviewed as quickly as we can after we receive the additional requested information. Please let me know if you have any questions.

Hector

I was just following up to make sure you got my last email. I had re submitted those forms back in May, but sent them to Jim Eden, sorry about that. I did however send them earlier this week and was just making sure you got them
