Approved

1. EXTERIOR MATERIALS. The proposed building elevations show the use of wood siding on the front and both sides. Based on the approved single-family elevations and commitment from the developer to the use of only certain exterior materials during the preliminary development plan public hearing process, staff cannot approve the building exterior as proposed. The allowed exterior materials are: stucco, stone, manufactured stone and brick. Wood siding was not an approved exterior material.

The review conducted by the City of Lee's Summit Development Services Department shall not be construed as a structural review of the project.
