RE: Final Report - Special Inspections
RTU Inspection
1220 NW Main
Building permit #: PRCOM-2023-4293

To Whom It May Concern:

This letter is to certify that I or qualified individuals working under my direct supervision, inspected and/or tested the items listed below in accordance with IBC for the special inspection listed in the project plans plus other project specified testing or inspection. The work is complete, with no outstanding discrepancies, and to the best of my knowledge was found to be in compliance with the approved plans and specifications.

Special Inspection and Testing is to include:

- High Strength Bolting
- Structure Welding
- Steel Frame Inspection

Please contact our office at 913.627.9040 with any questions.

Respectfully,
Cook, Flatt & Strobel Engineers, P.A.

Jacob Engler, PE
Geotechnical Engineer
