Engineering Review - Corrections

1. Please combine Zone 2 with the Zone 4 plans. In other words, please submit one (1) plan set for both Zones.
Plans for both zones combined into one set and reuploaded to the application portal.
2. Please rename the plans as "Mass Grading and Erosion and Sediment Control Zones 2 and 4" or equivalent language.
Combined set renamed to "MASS GRADING & EROSION AND SEDIMENT CONTROL PLANS FOR DISCOVERY PARK ZONE 2 AND 4".
3. The Zone 4 cover sheet includes a pictorial location map that appears incorrect. Aria Apartment project appears to be in the wrong location, and the Discovery Park Zone 1 project is also shown in wrong location. Please revise
Cover sheet updated and project area callouts fixed on the vicinity map.
